## The 49 Golden Rules of Making Money using Technical Analysis By Zak Mir

The purpose of this trading guide The 49 Golden Rules Of Making Money Using Technical Analysis is not only to provide those who wish to trade via TA with the best examples of the genre, but also how to apply these rules in practice. Put simply, there are the percentage set ups which are in turn the easiest to spot, those which tend to deliver the best upside, and to be perfectly blunt, should be akin to an inexperienced photographer using an idiot camera. You won't be David Bailey, or in this case, George Soros, but at least you have a decent framework with which to get started and to finesse your own style and strategies.
