#### **About the Author**

Lambert Klein is that inspirational older brother you wish you had; that guy who knows all the ways to be successful at online marketing and is willing to share his secrets with you. After leaving his job in construction, Lambert was determined to learn about internet marketing. He started out writing for other people and soon realized that he could work on his own projects exclusively to produce a generous income. His uncompromising passion to write quality content has driven his four websites to be wildly successful. He found that the people around him were constantly coming to him for advice on internet marketing. That was the moment he knew that he would begin writing books about Internet Solutions. Lambert has authored several PDF reports and e-books, as well as various Kindle books covering subjects such as Blogging, Search Engine Optimization, Weight Loss, and Natural Anti-aging. He's most proud of the response to his most popular book on Amazon Kindle called WordPress Power Guide. Lambert calls Marion Township home where he lives on 7 acres of beautiful Michigan countryside. There you will find him hiking with his wife Lynn or strumming on his guitar. On the weekends he enjoys heading to the ball field to take in a Tiger's Baseball game, playing with his cat Mitts or enjoying a double scoop of chocolate ice cream. It's said that you should find someone that you want to be like and copy them. Lambert Klein is that guy.
