Chakras: Energy Centers of Transformation By Harish Johari

- Revised and expanded edition of the classic work on chakras by the renowned Indian scholar and tantra practitioner.
- Includes full-color illustrations of the chakras to be used with the meditation exercises in the book and provides the tools necessary to activate these centers of transformative energy.

In the ancient science of tantra, the human body is viewed as the most perfect instrument for the expression of consciousness, a perfection realized through the development of psychic centers known as chakras. Located within the cerebrospinal system, the chakras are the stage upon which the interaction between higher consciousness and desire is played out. Consequently, it is through understanding and utilizing the energies of the chakras that we ultimately reach an enlightened state of being.

In *Chakras*, Indian scholar and tantra practitioner Harish Johari introduces the classical principles of the chakras as well as their practical application for today. In this expanded edition, complete with new art and text, he unfolds the mysteries of these subtle centers of transformation with visualization techniques essential to a fully realized tantric practice. Unlike other books in its field, *Chakras* provides the tools to activate these centers of transformative energy and elevate one's intellectual knowledge to an experience of spiritual growth.

Meditating on the beautiful, full-color illustrations of each chakra vitalizes the cerebrospinal centers and harmonizes the entire system both physically and psychically. Explanations of each chakra elaborate on the chakra's connection to elements, colors, sounds, sense and work organs, desires, planets and deities, as well as on behavioral characteristics and particular effects of meditation. For scholars and spiritual aspirants of every level, *Chakras* is an invaluable, practical source of information and techniques.

Editorial Review

Review

"Johari shows us the mysteries of these subtle centers of transformation with visualization techniques essential to a fully realized tantric practice." (*Share Guide, March/April 2001*)

"Unlike other books in its field, *Chakras* provides the tools to activate . . . and elevate one's intellectual knowledge to an experience of spiritual growth. Nowhere else will the Western reader find so much valuable information on this ancient tradition in one place." (*Branches of Light, Spring into Summer 2001*)

"Among the best of Western explications, combining traditional, visionary, and practical views...illustrated, detailed, and accessible to the neophyte." (*East West*)

"A beautifully crafted book. Johari skillfully takes us into the machinery of Hindu metaphysics, a nerve system vehicle that navigates the invisible frontiers of consciousness...compressed with detail." (*Hinduism Today*)

"For Harish Johari--artist, composer, teacher, tantric devotee--desire is the brush and the five senses are the palette." (*Yoga Journal*)

EASTERN SPIRITUALITY / YOGA

"Johari skillfully takes us into the machinery of Hindu metaphysics, a nerve system vehicle that navigates the invisible frontiers of consciousness. So compressed with detail is *Chakras* that it feels like a rare manuscript etched in bark and passed along from yogi to yogi. . . . a beautifully crafted book."

"For Harish Johari—artist, composer, teacher, tantric devotee—desire is the brush and the five senses are the palette."

--*Yoga Journal*

"Johari's text is among the best of Western explications, combining traditional, visionary, and practical views. *Chakras* is illustrated, detailed, accessible to the neophyte, and notable for its valuable discussion of tantric vocabulary."

In *Chakras*, Indian scholar and Tantra practitioner Harish Johari introduces the classical principles of the chakras as well as their practical application for today. In this revised and expanded edition, complete with new color paintings and black-and-white illustrations, Johari unfolds the mysteries of these subtle centers of transformation with visualization techniques essential to a fully realized tantric practice. He explains each

chakra's connection to colors, sounds, sense and work organs, desires, the elements, planets, and deities, as well as the behavioral characteristics and effects of meditation for the chakras.

Meditating on the beautiful, full-color paintings of each chakra vitalizes the cerebrospinal centers and harmonizes the entire system both physically and psychically. Coloring the black-and-white illustrations included in the book, following the prescribed order, helps the mind retain the images of the chakras and leads to deeper states of meditation. Scholars and spiritual aspirants of every level will find *Chakras* an invaluable and practical source of information, tools, and techniques to activate these centers of transformative energy and elevate one's intellectual knowledge to an experience of spiritual growth.
