The Hitman's Baby: A Standalone Bad Boy Romance Novel By Kimberly Fox

Nobody f*cks harder than a girl that hates you. And this girl hates me. Hard. She's going to be fun.

Sara

I hate guys like him.
So why am I always so attracted to his frustratingly arrogant and cocky type?
Well, his muscular, inked up arms aren't helping at all.
I should stay away from him.
I should leave.
He's more dangerous than just a killer smile.
But it's not like he'd ever untie me and let me walk out the door...

Colton

When I want something I take it. Even if it is the boss' daughter.
And when you're a hitman the boss is usually not someone to take lightly.
See if I care. That pussy is worth dying for and it's definitely worth killing for.
And there's a long line of people to kill for it.
But now that my baby is in her belly not her father, the Russian mob, the police or the world class assassin on our heels is going to take her from me.

The Hitman's Baby is a full length novel (50,000+ words) by author Kimberly Fox. Included in the ebook version is a bonus novella and introduction to the author's Paranormal Romance works written under Kim Fox. **Standalone. No Cliffhanger. No Cheating. HEA.**
